

Ohio Department of Job and Family Services
APPLICATION FOR CHILD CARE BENEFITS

If you are working, in training or in school, you may be able to have part of your child care costs paid by the Ohio Department of Job and Family Services (ODJFS). Your eligibility will be based on your monthly gross income and your family size. You will have to pay part of the cost of the child care. If approved, your benefit information will be loaded onto an Ohio Electronic Child Care (Ohio ECC) card. You will be required to use this card to track your child's attendance. You may not allow your child care provider or their designee to keep or use your card.

Please complete this application and include proof of ALL sources of income for ALL members of your household. This includes earnings from jobs, tips, bonuses, retirement benefits, disability benefits, unemployment benefits, dividends, child/spousal/medical support, Ohio Works First (OWF) benefits and income from self-employment. A school schedule and transcripts for an education activity must also be provided if applicable. You must also show that you need child care for the days and hours of your work, training or education activity. You must sign and date this application.

Your eligibility for child care benefits will be determined after this form is completed and submitted to the county agency in the county where you live. If your application is approved and you are eligible for child care benefits, the county agency may authorize payment for child care services from the date the county agency received your application. If your application is denied, you will be responsible for payments to any child care provider whose services you have used since you submitted your application.

You will be able to use child care only for children who are eligible and only up to the maximum hours authorized by the county agency for employment/training/education with allowances for travel time and other circumstances approved by the county agency.

To remain eligible for child care, you must pay the required copayment, if applicable, to the provider. Failure to pay the applicable copayment may result in termination of your child care benefits.

You must report to the county agency any change which affects your child care eligibility, including a change in family income, a change in hours of employment/training/education, a change in family size, and a change of address. **Changes must be reported within 10 days of the date the change occurs.**

EXPLANATION OF STATE HEARING PROCEDURES

What is a state hearing?

If you think there has been a mistake or delay on your child care case, you may ask for a hearing by either the local county agency or the state department of Job and Family Services (ODJFS).

A state hearing is a meeting with you, someone from the county agency and a hearing officer from ODJFS. The person from the county agency will explain the action it has taken or wants to take on your case. Then you will have a chance to tell why you think it is wrong. The hearing officer will listen to you and to the county agency and may ask questions to help bring out all the facts. The hearing officer will review the facts presented and recommend a decision based on whether or not the child care rules were correctly applied in your case.

How do I ask for a hearing?

To ask for a hearing, call or write your county agency or write to ODJFS, Bureau of State Hearings, PO Box 182825, Columbus, Ohio 43218-2825. If you receive a notice denying, reducing or stopping your child care, fill out that form and mail it to the Bureau of State Hearings. You may also fax your hearing request to (614) 728-9574. ODJFS must receive your hearing request within 90 days of the mailing date of the notice of action. If someone else makes a written request for you, it must include a written statement, signed by you, telling us that person is your representative. Only you can make a hearing request by telephone.

How do I request a telephone hearing?

If you cannot attend the hearing at the scheduled location because you do not have transportation or child care or you have medical limitations, etc., you can call 1-866-635-3748 and participate by telephone. If you participate by telephone the hearing officer will call you on the day at the scheduled time for your hearing at the telephone number you provide.

Will my child care benefits continue?

If you receive a notice that your child care will be reduced, stopped or restricted, the action will not be taken until the hearing is decided if we receive your hearing request within the 15 days of the mailing date on the notice.

If your child care benefits have been changed without written notice or if the change was made even though you timely requested a hearing, you can call the Bureau of State Hearings to ask if you should receive continuing benefits. Call 1-866-635-3748 and choose option number 1 from the automated voice menu. If your assistance is continuing and you lose the hearing, you may have to pay back any benefits that you were not eligible to receive.

What is a county conference?

An informal meeting with a person from the county agency may settle the issue without the need for a state hearing. This is often the quickest way to solve a problem. At this meeting someone will review your case with you. If a mistake was made, it can be corrected without the need for a state hearing. You can set up a county conference by asking your worker. If you are not satisfied with the results you can still have a state hearing. You do not have to have a county conference to have a state hearing and asking for a county conference will not delay your state hearing.

When will the hearing be held?

The Bureau of State Hearings will send you a notice giving the date, time and place of the hearing. This notice will be sent to you at least 10 days before the hearing. The notice also will tell you what to do if you cannot come to the hearing as scheduled. Hearings are usually held at the COUNTY AGENCY. If you are unable to go there, the hearing may be held some other place convenient to you and to the other people involved. If you want the hearing held somewhere other than the county agency, be sure to state that on your hearing request.

Can a hearing be postponed?

If you cannot come to the hearing as scheduled or if you need more time to prepare, you can ask for a postponement. You must have a good reason to postpone the hearing.

What happens if I do not attend the hearing?

The Bureau of State Hearings will send you a dismissal notice if you don't come to the hearing. If you want to continue with your hearing request, you must contact State Hearings within 10 days and explain why you did not come to the hearing. The hearing authority will decide whether you had a good reason. If you do not call within 10 days and show good cause, the hearing will be dismissed and you will lose the hearing. The county agency can then take the action it was planning to take. If you disagree with the dismissal, the dismissal notice will tell you how to ask for an administrative appeal.

What happens before the hearing?

You may have someone (lawyer, welfare rights person, friend or relative) go to the hearing to present your case for you. If you are not going to be at the hearing, the person attending for you must bring a written statement from you saying he or she is your representative.

If you want legal help at the hearing, you must make arrangements before the hearing. Contact your local Legal Aid program to see if you qualify for free help. If you don't know how to reach your Legal Aid, call 1-800-589-5888 (toll-free). If you want notice of the hearing sent to your lawyer, you must give the lawyer's name and address to the hearing authority. You and your representative have the right to look at your case file and the written rules being applied to your case. You can get a free copy of any case record documents that are related to your hearing request. Any person acting for you must provide a signed statement from you before looking at your case record or getting copies of case record documents. The county agency does not have to show you confidential records such as names of people who have given information against you, records of criminal proceedings and certain medical records. Confidential records, which you could not look at or question, cannot be presented at the hearing or be used by the hearing officer in reaching a decision.

Can I subpoena information?

You can ask the hearing authority to subpoena documents or witnesses that would not otherwise be available and that are essential to your case. You must request the subpoena at least five calendar days before the date of the hearing and provide the name and the address of the person or document you want subpoenaed.

What happens at the hearing?

You may bring witnesses, friends, relatives or your lawyer to help present your case. The hearing officer may limit the number of witnesses allowed in the hearing at any one time if there is not enough room. You and your representative will have the right to look at the evidence used at the hearing, present your side of the case without undue interference, ask questions and bring papers or other evidence to support your case. The hearing will be recorded by the hearing officer so that the facts are taken down correctly. The hearing officer will listen to both sides but will not make a decision at the hearing. Instead, you will receive a written decision in the mail, issued by the hearing authority. After the hearing decision is issued you can get a free copy of the recording by contacting the Bureau of State Hearings.

What is a group hearing?

The hearings office may combine several individual hearing requests into a single group hearing, but only if there is no disagreement about the facts of each case and all involve related issues of state or federal law or county policy. The notice to schedule your hearing will tell you if you are scheduled for a group hearing. You and your representative will be allowed to present your own case individually and you will have the same rights at a group hearing as you would at an individual hearing.

What happens after the hearing?

You should receive a hearing decision within 90 days of your hearing request. If you disagree with the hearing decision your written decision will tell you how to ask for an administrative appeal.

When will compliance with the hearing decision happen?

The county agency must take the action ordered by the decision within 15 days of the date the decision is issued but always within 90 days of your hearing request. Contact the Bureau of State Hearings if you have not promptly received the benefits awarded by the hearing decision.

Does another action require another hearing?

If you receive another notice that says the county agency wants to change your child care benefits while you are waiting for a hearing or decision, you must ask for another hearing if you disagree with the new action. Remember, the fact that you are waiting for a hearing or decision will not stop another action from being taken on your case. You must ask for another hearing on the new action.
